<u>Upper Blue Sanitation District</u> <u>Board of Directors Meeting</u> <u>Thursday March 8, 2012 @ 5:30 PM</u>

I. ROLL CALL:

Mr. Robin Theobald called the meeting to order at 5:30 PM. Mr. Robin Theobald, Mr. Tim Casey, Mr. Larry Crispell, Mr. Michael Turek and Mr. Barrie Stimson answered "present" at roll call.

Mr. Andrew Carlberg and Mrs. Marjorie Borsina attended as well.

Note: There was a work session preceding the Board Meeting from 4:30 PM to 5:30 PM at the Administration Office. Mr. Robin Theobald, Mr. Tim Casey, Mr. Larry Crispell, Mr. Michael Turek, Mr. Barrie Stimson and Mr. Andrew Carlberg were present at the work session.

II. MINUTES:

February 8, 2012 minutes: Mr. Turek made a motion to approve the February 8, 2012 Board of Directors meeting minutes as amended. Mr. Stimson seconded the motion. The motion was passed unanimously by the Board.

III. PUBLIC HEARINGS: None

IV. PUBLIC COMMENT: None

V. BILLS:

The bills were reviewed and discussed by the Board of Directors. Mr. Stimson made a motion to approve the bills as submitted with the exception of items on the agenda which will be discussed later in the meeting. Mr. Casey seconded the motion. Mr. Theobald asked the Board for a roll call and the motion was passed unanimously by the Board.

VI. FINANCIAL REPORT:

The Financial Report was reviewed and discussed by the Board of Directors.

VII. MONTHLY REPORTS:

A. Plant and Collection:

The Plant and Collection reports were discussed by the Board of Directors during the work session.

B. Manager Report:

-Blue River Phase III: Mr. Carlberg reported that design work is being completed for Blue River Phase III and the specifications are being finalized.

-Election: Mr. Carlberg reported that the election for 2012 has been cancelled. There were three Board of Director offices to be filled. There were only two candidates who submitted a Nomination Petition to run for the Board of Directors. The two candidates elected for a term of four years each are Mr. Michael Turek and Mr. Ken Trausch. The one open Board of Directors position will be filled once the new Board of Directors receives letters of interest from qualified electors and conduct interviews for the position.

<u>Upper Blue Sanitation District</u> <u>Board of Directors Meeting</u> <u>Thursday March 8, 2012 @ 5:30 PM</u>

- -Water Quality Hearings: Mr. Carlberg reported that he will be testifying before the Colorado Water Quality Control Commission beginning on May 12th. Mr. Carlberg said that his focus will be the financial impacts the new nutrient regulations will have on the District.
- -Glacier Construction: The District has had several meetings with Glacier Construction concerning the close out of the project. The pre-engineered building and liquidated damages have been discussed at those meetings. Mr. Carlberg asked the Board for a recommendation on the liquidated damages with Glacier Construction totaling over one million dollars. The Board discussed the liquidated damages. The consensus of the Board is not to pursue any liquidated damages, except for portions of the project that were not completed.
- -Water Rights Litigation: Mr. Carlberg reported that the District's attorney recommended that the District withdraw from the water rights diligence case. The Board discussed the recommendation plus reviewed the study during the work session.

Mr. Turek made a motion for the District to withdraw from the water rights diligence case. Mr. Casey seconded the motion. The motion was passed unanimously by the Board.

VIII. OLD BUSINESS: None

IX. NEW BUSINESS:

The Board unanimously rescheduled the April 12, 2012 work session and Board meeting for April 19, 2012.

C. Carollo Pay Request #0120287 and #0120375:

Carollo previously submitted pay request #0120287 in the amount of \$49,157.56 for services completed thru December 2011. The Board had questions about Carollo pay request #0120287 at the previous meeting and deferred payment. Mr. Carlberg reported that Carollo has submitted additional breakout on the Carollo bill and the bill appears to be in order.

Carollo has also submitted pay request #0120375 in the amount of \$23,197.00 for services completed thru January 2012. Mr. Carlberg recommended approval of pay request #0120287 and pay request #0120375.

Mr. Casey made a motion to approve Carollo pay request #0120287 in the amount of \$49,157.56 and pay request #0120375 in the amount of \$23,197.00. Mr. Crispell seconded the motion. Mr. Theobald asked the Board for a roll call and the motion was passed unanimously by the Board.

D. BHH Partners Pay Request:

Mr. Carlberg recommended that the Board approve BHH Partners pay request for work completed on the Farmers Korner plant expansion during the month of January 2012 (a detailed description of services is attached) in the amount of \$1,024.74. Mr. Carlberg said that BHH has been working on an as needed basis and that he recommends approval. Mr. Turek made a motion to approve payment of BHH Partners pay request in the amount of \$1,024.74 for the Farmers Korner plant expansion project thru the month of January 2012. Mr. Stimson seconded the motion. Mr. Theobald asked the Board for a roll call and the motion was passed unanimously by the Board.

E. Glacier Construction Pay Request #32:

Mr. Carlberg recommended approval of Glacier's pay request #32 in the amount of \$230,466.63 representing costs for work completed thru February 29, 2012. Mr. Stimson made a motion to approve Glacier's pay request #32 in the amount of \$230,466.63. Mr. Turek seconded the motion. \$24,644.54. Mr. Casey seconded the motion. Mr. Theobald asked the Board for a roll call and the motion was passed unanimously by the Board.

Mr. Turek made a motion to ratify the Manager's decision to authorize Mortenson Construction to produce CAD As Built drawings of the newly constructed Farmers Korner plant for an estimated cost of \$25,000.00. Mr. Casey seconded the motion. The motion was passed unanimously by the Board.

G. Draft Resolution-Amendment of Rules and Regulations pertaining to service charge when revoking connection approval:

At the last Board meeting the Board decided to eliminate the service charge related to the revoking of the connection approval. The draft resolution has been drawn up by the District's attorney. The Board reviewed the draft resolution during the work session. Mr. Turek made a motion to set a public hearing to approve the Draft Resolution-Amendment of Rules and Regulations pertaining to service charge when revoking connection approval. Mr. Crispell seconded the motion. The motion was passed unanimously by the Board.

X. CORRESPONDENCE:

XII. ADJOURN:

Mr. Turek made a motion to adjourn the meeting at 6:00 PM. Mr. Stimson seconded the motion. The motion was passed unanimously by the Board.

Mr. Robin Theobald, President

Mr. Barrie Stimson

Memorandum

To: Andy Carlberg

From: Marjorie Borsina

Date: March 2, 2012

Re: Financial Update

-The District's Financial Records are in good order.

-Since we are only two days past the last day of February, we have not received all of the February 2012 bills (for example: the Xcel Energy bill and the Asgard Energy bill). Therefore, the February 2012 Financial Statements are a preliminary draft for your review.

-The Vranesh and Raisch bill that is included in the Board packet is from January 2012, since we received that bill after the last Board packet went out. We have not received the February Vranesh and Raisch bill or the February credit card bill.

-The 2011 audit with Holscher, Mayberry & Company, LLC formerly Johnson, Holscher & Company was conducted during the week of February 27th, 2012. I have included in the Board packet the announcement of the reorganization of their firm. I have also included in the Board packet a copy of the audit engagement letter and a letter addressed to the Board of Directors from Holscher, Mayberry & Company, LLC. During the next few weeks Holscher, Mayberry & Company, LLC will be drafting the District's 2011 audited Financial Statements. I will advise as to when Holscher, Mayberry & Company, LLC will be making the audit presentation to the Board.

-We continue to solicit our customers to sign up for ACH/Auto Pay.

To the Board of Directors
Upper Blue Sanitation District

We are engaged to audit the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Upper Blue Sanitation District for the year ended December 31, 2011. Professional standards require that we provide you with the following information related to our audit. We would also appreciate the opportunity to meet with you to discuss this information further since a two-way dialogue can provide valuable information for the audit process. If you have any questions or concerns that you would like for us to include as part of our audit procedures, please feel free to contact us directly.

Our Responsibility under U.S. Generally Accepted Auditing Standards

As stated in our engagement letter dated February 27, 2012, our responsibility, as described by professional standards, is to express opinions about whether the financial statements prepared by management with your oversight are fairly presented, in all material respects, in conformity with U.S. generally accepted accounting principles. Our audit of the financial statements does not relieve you or management of your responsibilities.

Other Information in Documents Containing Audited Financial Statements

Our responsibility for the supplementary information accompanying the financial statements, as described by professional standards, is to evaluate the presentation of the supplementary information in relation to the financial statements as a whole and to report on whether the supplementary information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Planned Scope and Timing of the Audit

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; therefore, our audit will involve judgment about the number of transactions to be examined and the areas to be tested.

Our audit will include obtaining an understanding of the entity and its environment, including internal control, sufficient to assess the risks of material misstatement of the financial statements and to design the nature, timing, and extent of further audit procedures. Material misstatements may result from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the entity or to acts by management or employees acting on behalf of the entity. We will communicate our significant findings at the conclusion of the audit. We will also communicate any internal control related matters that are required to be communicated under professional standards.

We expect to begin our audit on approximately February 27, 2012 and issue our report no later than June 30, 2012.

This information is intended solely for the use of the Board of Directors and management of the Upper Blue Sanitation District and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,

Timothy P. Mayberry, Principal

Upper Blue Sanitation District PO Box 1216 Breckenridge, CO 80424-1216

We are pleased to confirm our understanding of the services we are to provide the Upper Blue Sanitation District for the year ended December 31, 2011. We will audit the financial statements of the business-type activities, and major fund, which collectively comprise the entity's basic financial statements, of the Upper Blue Sanitation District of and for the year ended December 31, 2011. The following supplementary information accompanying the basic financial statements is required by generally accepted accounting principles and will be subjected to certain limited procedures, but will not be audited:

1) Management's Discussion and Analysis.

Audit Objective

The objective of our audit is the expression of opinions as to whether your basic financial statements are fairly presented, in all material respects, in conformity with U.S. generally accepted accounting principles and to report on the fairness of the additional information referred to in the first paragraph when considered in relation to the basic financial statements taken as a whole. Our audit will be conducted in accordance with U.S. generally accepted auditing standards and will include tests of the accounting records and other procedures we consider necessary to enable us to express such opinions. If our opinions on the financial statements are other than unqualified, we will fully discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed opinions, we may decline to express opinions or to issue a report as a result of this engagement.

Management Responsibilities

Management is responsible for establishing and maintaining effective internal controls. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of the controls. The objectives of internal control are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorizations and recorded properly to permit the preparation of financial statements in accordance with generally accepted accounting principles. You are also responsible for all management decisions and functions; for designating an individual with suitable skill, knowledge, or experience to oversee our financial statement preparation services and any other nonattest services we provide; and for evaluating the adequacy and results of those services and accepting responsibility for them.

Management is responsible for making all financial records and related information available to us. We understand that you will provide us with such information required for our audit and that you are responsible for the accuracy and completeness of that information. Management is responsible for adjusting the financial statements to correct material misstatements and for confirming to us in the representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

Upper Blue Sanitation District February 27, 2012 Page 2

You are responsible for establishing and maintaining internal controls, including monitoring ongoing activities; for the selection and application of accounting principles; and for the fair presentation in the financial statements of the respective financial position of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the Upper Blue Sanitation District and the respective changes in financial position and where applicable, cash flows, in conformity with U.S. generally accepted accounting principles.

You are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud or illegal acts affecting the government involving (1) management, (2) employees who have significant roles in internal control, and (3) others where the fraud or illegal acts could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud or illegal acts affecting the government received in communications from employees, former employees, regulators, or others. In addition, you are responsible for identifying and ensuring that the entity complies with applicable laws and regulations and for taking timely and appropriate steps to remedy any fraud, illegal acts, or violations of contracts or grant agreements that we may report.

Audit Procedures—General

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; therefore, our audit will involve judgment about the number of transactions to be examined and the areas to be tested. We will plan and perform the audit to obtain reasonable rather than absolute assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the entity or to acts by management or employees acting on behalf of the entity.

Because an audit is designed to provide reasonable, but not absolute, assurance and because we will not perform a detailed examination of all transactions, there is a risk that material misstatements may exist and not be detected by us. In addition, an audit is not designed to detect immaterial misstatements, or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements. However, we will inform you of any material errors and any fraudulent financial reporting or misappropriation of assets that come to our attention. We will also inform you of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts, and may include tests of the physical existence of inventories, and direct confirmation of receivables and certain other assets and liabilities by correspondence with selected individuals, creditors, and financial institutions. We will request written representations from your attorneys as part of the engagement, and they may bill you for responding to this inquiry. At the conclusion of our audit, we will also require certain written representations from you about the financial statements and related matters.

Audit Procedures—Internal Control

In planning and performing our audits, we will consider the internal control sufficient to plan the audit in order to determine the nature, timing, and extent of our auditing procedures for the purpose of expressing our opinions on the Upper Blue Sanitation District's financial statements.

An audit is not designed to provide assurance on internal control or to identify reportable conditions. However, we will inform the governing body or audit committee of any matters involving internal control and its operation that we consider to be reportable conditions under standards established by the American Institute of Certified Public Accountants. Reportable conditions involve matters coming to our attention relating to significant deficiencies in the design or operation of the internal control that, in our judgment, could adversely affect the entity's ability to record, process, summarize, and report financial data consistent with the assertions of management in the financial statements.

Audit Procedures—Compliance

Identifying and ensuring that the Upper Blue Sanitation District complies with laws, regulations, contracts, and agreements is the responsibility of management. As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of the Upper Blue Sanitation District's compliance with applicable laws and regulations and the provisions of contracts and agreements. However, the objective of our audit will not be to provide an opinion on overall compliance and we will not express such an opinion.

Audit Administration, Fees, and Other

We may from time to time, and depending on the circumstances, use third-party service providers in serving your account. We may share confidential information about you with these service providers, but remain committed to maintaining the confidentiality and security of your information. Accordingly, we maintain internal policies, procedures, and safeguards to protect the confidentiality of your personal information. In addition, we will secure confidentiality agreements with all service providers to maintain the confidentiality of your information and we will take reasonable precautions to determine that they have appropriate procedures in place to prevent the unauthorized release of your confidential information to others. In the event that we are unable to secure an appropriate confidentiality agreement, you will be asked to provide your consent prior to the sharing of your confidential information with the third-party service provider. Furthermore, we will remain responsible for the work provided by any such third-party service providers. We do not anticipate the use of any third party providers during the completion of your audit and will notify you if circumstances change in that regard prior to the use of any third parties.

We understand that your employees will prepare all cash or other confirmations we request and will locate any documents selected by us for testing. We understand that as part of your audit, we may prepare adjusting journal entries necessary to properly report all accounting transactions according to generally accepted accounting principles and you acknowledge that you will be required to review and approve those entries. We also understand that as part of our audit, we may prepare the draft financial statements and related notes. If we prepare the financial statements and related notes, you will designate a competent employee to oversee our services and will make all management decisions and perform all management functions. You will review, approve, and accept responsibility for those financial statements and related notes.

We expect to begin our audit on approximately February 27, 2012 and to issue our reports no later than June 30, 2012. Our fee for these services will be at our standard hourly rates plus out-of-pocket costs (such as report reproduction, word processing, postage, travel, copies, telephone, etc.) except that we agree that our gross fee, including expenses will not exceed \$8,100. Our standard hourly rates vary according to the degree of responsibility involved and the experience level of the personnel assigned to your audit. Our invoices for these fees will be rendered each month as work progresses and are payable on presentation. In accordance with our firm policies, work may be suspended if your account becomes 60 days or more overdue and may not be resumed until your account is paid in full. If we elect to terminate our services for nonpayment, our engagement will be deemed to have been completed upon written notification of termination, even if we have not completed our report. You will be obligated to compensate us for all time expended and to reimburse us for all out-of-pocket costs through the date of termination. The above fee is based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the audit. If significant additional time is necessary, we will discuss it with you and arrive at a new fee estimate before we incur the additional costs.

We appreciate the opportunity to be of service to the Upper Blue Sanitation District and believe this letter accurately summarizes the significant terms of our engagement. If you have any questions, please let us know. If you agree with the terms of our engagement as described in this letter, please sign the enclosed copy and return it to us.

Very truly yours,

Holselm. Maybey + longing. LLC

MANAGER REPORT 3–2012

Blue River Phase III — Design is being completed on the project. We are finalizing the specifications.

Election 2012 — Significant amount of time has been spent in preparation and as of the date of this report we are not sure there will be the need for one. As soon as I know I will let the Board know. The agreement with the County is in place, the supplies are ready to order and Election Judges are in place.

Water Quality Hearings — I will testify before the Colorado Water Control Commission beginning March 12. My focus will be the financial impacts on the District.

Glacier Construction- We have had several meetings with the contractor concerning the close out of the project. The Pre Engineered Building and Liquidated Damages have been discussed. I will have an update at the Board meeting.
