The Upper Blue Sanitation District is seeking highly motivated individuals to be part of a successful professional team. Position is open at System Operator 1 level and above.

System Operator 1 position requires strong mechanical aptitude and ability to learn wastewater treatment operations. Experienced operators should possess a strong operations and maintenance background, preferably with tertiary treatment, collections system operations, and laboratory procedures. State certification is encouraged but not required. A CDL class B or above with an N endorsement must be obtained within 6 months of hire. A State of Colorado Class D waste-water operators license shall be obtained within 1 year of hire. The District has an excellent benefit package including health and dental insurance, and a retirement plan. Salary is commensurate with experience. A pre-employment physical including drug screening and background check is required.

Applications are required and may be obtained by contacting the Administration Office at 1605 Airport Rd., or P.O. Box 1216, Breckenridge, CO 80424, or on the District's website UBSD.org. Supplementing a resume is preferred.

****EMPLOYEE HOUSING AVAILABLE****

Applications will be accepted until position has been filled. Proof of COVID-19 vaccination is required prior to employment opportunity. UBSD is an Equal Opportunity Employer.
